NEVADA RECRUITS WELL CARED FOR

BOYS WERE WELL TAKEN CARE OF AND PROVIDED WITH PROMPT SERVICE.

T. Bergerson, travelling freight and passenger agent of the Southern Pacific, arrived in Tonopah this morning for a brief respite from the most strenuous time of his life, during which he was engaged in looking after the troop movement through and from Nevada. The affair passed off without a hitch and without complaint. The last lot was supposed to be the worst to handle, owing to the great number of men called out by the second quota and, at one time, it was thought impossible to secure enough touring sleeping cars to accommodate the crowd. However, through the excellence of the central routing agency, which handled this class of traffic throughout the whole western country, the movement went off like clockwork. That a clear understanding of the difficulties may be reached, it should be explained that the movement by days was as follows: September 19—Mineral county, 8 men; Churchill, 15; Humboldt, 43. September 20—Reno, 84. September 21—Douglas county, 6; Ormsby, 7; Storey, 8; White Pine, 65. September 22—Elko county, 58; Esmeralda, 7; Lander, 6. September 23—Esmeralda county, 6; Tonopah, 27; Wabuska, 26. September 18—Pioche, 18. In order to synchronize this movement the railroad man said Maurice J. Sullivan, state adjutant general, has been working for the past month from 7 a. m. to 2 a. m.

BUSINESS AGENT TRIED FOR MURDER

PHYSICIANS SAY IMPOSSIBLE FOR MRS. KING TO HAVE KILLED SELF.

(By Associated Press.) CONCORD, N. H., Sept. 25.—The state rested its case at the preliminary hearing here yesterday of Gaston B. Means on a warrant charging him with the murder of Mrs. Maude A. King, without giving any hint of a possible motive. It confined itself to an effort to show "probable cause" which would be sufficient to bind Means over to the grand jury. Two experts testified for the state "that in our opinion it would develop a physical impossibility for Mrs. King to have shot herself in the manner in which she received her fatal wound near here early on the night of August 29, last." Means, who was the business agent of the wealthy widow, was with her at target practice at Blackwelder Springs when the shooting occurred and he told a coroner's jury that she shot herself accidentally. Dr. William H. Burmeister described the course of the bullet through the woman's head. She was right handed, he said, and could not have placed her right hand back of her head in such a manner as to have fired the shot. He also testified that the muzzle of the pistol must have been more than ten inches away from her head when it was fired, as he found no powder stains or marks and no burned or singed hair on her head. Gaston Means was bound over to the grand jury on a charge of murder.

AMUSEMENTS

GEORGE BEBAN AT THE BUTLER.

The ever popular portrayal of Latin characters, George Behan, who scored such a success in "Pasquale," "His Sweetheart" and other productions, will be seen at the Butler this evening in "The Bond Between." Mr. Behan is the author of the story as well as the star of the production. There is no actor on the American stage or screen who so well knows the Latin temperament and characteristics as does Mr. Behan.

He scored his first success as a Frenchman, and later as the Italian in his wonderful production, "The Sign of the Cross," which has also been transferred to the screen. As the Italian in "Pasquale" Mr. Behan firmly established himself as a photodramatic star and his most recent production, "His Sweetheart," has been pronounced by all to be a masterpiece of its kind. In "The Bond Between" Mr. Behan has carried throughout the picture a wonderful and true Bohemian atmosphere of the real artist's section of New York City. The Animated Ford Weekly will be added to the program.

Tomorrow, your last opportunity to see the most wonderful motion picture spectacle that has ever been produced—"Intolerance"—at popular prices. Friday is T. A. R. day at the Butler. Let's make it a big day.

This makes the second case of cremation, as the remains of the late Fred N. Jones were also consigned to a crematory.
